

GOOGLE PD

JANUARY 13, 2016

- Participants will learn how to:
- Use Google Drive to store files in the "cloud".
- Use Google Docs to collaborate and share among colleagues and students.

- Use Google Forms to create online assessments, and use tools to auto-grade/email student scores.
- Use Google Photos to auto-sync ALL your photos to the cloud.

- Organize your Gmail inbox.
- Use other Google tools in the classroom.
